Office: (530) 741-5474

FOR IMMEDIATE RELEASE

Steamboat Slough Bridge Scheduled for Extended Full Closure

Expect Additional Travel Time for Detours

SACRAMENTO COUNTY – Caltrans is alerting motorists that beginning next week the Steamboat Slough bridge on State Route 160 near Courtland will be temporarily closed for an extended period.

Additional construction is needed to maintain and keep the bridge operational. The bridge is scheduled for ongoing parts replacement work.

FULL CLOSURE SCHEDULE:

- **From 5 a.m. February 8 through 5 a.m. February 27**

DETOUR:

Use the Walnut Grove and Paintersville Bridges.

Advance signage has been placed at the bridge. Caltrans urges motorists to use this detour or use Interstate 5 in Sacramento County as an alternate route.

These delta bridges were originally constructed in the early 1920s and then reconstructed or refurbished in the early 1950s. Motorists should plan accordingly and expect additional travel time.

Current truck restrictions will apply. California legal trucks having a kingpin-to-rear-axle of more than 30 feet are not recommended on State Route 160.

#

TRAFFIC ALERT

Weather conditions could delay or cancel scheduled work. Caltrans advises motorists to “Be Work Zone Alert.” For motorists using the State Route 84 Real McCoy and SR-220 Ryer Island Ferries as a bridge detour, additional ferry information is located on our Caltrans Delta Ferries website at: <http://www.dot.ca.gov/d4/deltaferries/>.

Bay Area motorists can check 511.org: <https://twitter.com/511SFBA> or follow Caltrans District 4 on Twitter: twitter.com/CaltransD4. In the Sacramento region, Caltrans District 3 will issue construction updates on Twitter [@CaltransDist3](https://twitter.com/CaltransDist3) and on Facebook at [CaltransDistrict3](https://www.facebook.com/CaltransDistrict3). For real-time traffic, click on Caltrans’ QuickMap quickmap.dot.ca.gov/ or download the QuickMap app on [iTunes](#) or [Google Play](#).
